Uttar Pradesh promises farm-debt waiver

VIKRAM SINGH RAWAT Deoria (UP), 6 September

Congress vice-president Rahul Gandhi on Tuesday made a strong pitch for another farm debt waiver scheme in the run-up to the 2017 Uttar Pradesh (UP) polls.

The previous Union Progressive Alliance government headed by the late NDA Centre had implemented a similar scheme in 2008 to waive farm loans in the country to the tune of ₹72,000 crore.

With the Congress losing no stone unturned to regain its past political glory in UP where it has been out of power for almost 27 years now, the party is seeking to attract the about 22 million farmer households in the state by taking recourse to the debt waiver.

Under the tutelage of master poll strategist Prakash Kishor alias PK, Gandhi unveiled his 'Khat sabhas' (parishad council) meetings in the backwaters of UP with the first part of call at Jorhat in eastern UP.

Flanked by senior party leader Ghulam Nabi Azad and local MLA Akhilesh Pratap Singh, Gandhi made a scathing attack on Prime Minister Narendra Modi alleging the central government had waived loans worth about ₹50,000 crore of capitalists while leaving the

farmers in the lurch.

The party had especially brought about a '500 Khat' in the past year, but it was later taken away by the villagers after the event got over, much to the amusement of party leaders and the battery of media persons.

Gandhi said the Modi government had backtracked on its promise of providing succour to the farmers at a time when farm input was rising and farmers were not getting their fair profit.

He also referred to the steep power tariffs in the state, drawing cheers from the crowd that had gathered to listen to his tirade against the Congress. The well-attended meeting boosted the morale of the party leaders.

Gandhi further said the Modi government had stopped raising the minimum support price of farm commodities, which had made agriculture a losing proposition.

Interestingly, Gandhi did not target the Aikshil Yadav-led Samajwadi Party government in UP and decried all his critics, 'champy' in some of his short 10-minute address.

The Yatra in some of the remote districts of the state and they applied for relief of the rarer districts of the state.

In the run-up to the 2017 Lok Sabha polls, PK had developed a similar strategy for them in 2014 by mimicking candidate Narendra Modi, who went on to rally support of the common man through 'Chat Par Charcha'.

KVB to position itself as specialised SME bank

GIREESH BABU Chennai, 6 September

Kanar Vyasa Bank (KVB), which is operating 100 years of its operation this year, is positioning itself as a specialised small and medium enterprises (SME) bank and would look at preparing products for niche banking in certain areas within this segment.

Speaking at the event in Chennai, Venkateswarar said, "Our target is more on quality and not on size. There are two major factors which we would like to focus on in the future."

He also said that the bank is looking at more activity. The long-term strategy would put the road map for five years.

Currently, almost one-third of its business is from SMEs, while corporate business would also be about 30 per cent. There will be a gradual move towards banking without visiting a branch. The bank is developing a small bank model through digital initiatives, he added.

The bank is also planning to have tie-ups with small finance banks for its growth. The road map will be ready in three to four months, he said.

While the bank has a target to achieve ₹1.25 lakh crore by 2016 in a road map set in 2009, it could not achieve the goal due to the downward trend in the economy.

plans will also be on this basis. On the digital space, it is looking at digitising almost all the operations for the customers on digital mode, which would help the customer do banking without visiting a branch. The bank is developing a small bank model through digital initiatives, he added.
